

Why Pittsburgh Pickle Company?

Simply put, they're delicious and create repeat customers. Free of any chemicals or artificial preservatives, we allow more room for real flavor and peace of mind. We don't produce "odd-ball gimmicky" flavors. Instead, we produce a variety of flavor profiles that are usable across all platforms. This helps keep customers coming back for more!

Pittsburgh Style Pickle Chips are the original product we created. Today, they're the best-selling pickles made in PA. This all-natural classic is salty, sweet, and savory, allowing it to stand on its own. We feel it represents the uniqueness of our great city.
